

Measuring Guide-Choir Robes (Men and Women)

Use a tape measure for circumference measurements, make taut, but not tight. Measure accurately over lightweight clothing. Please wear dress shoes or heels usually worn with the robe.

Chest-line up the measuring tape with the nipple and measure around the body.

Back Width
(shoulder to
Shoulder)-from
each hinge)

Sleeve-(from Arm
Hinge to wrist)

Back length-(from top
of shoulder to top of
the heel of the shoe).
